Ref: Fund for the Northport Fire Hall

To Whom It May Concern:

Hello, we are a small Volunteer group in Washougal, Washington, however being from the Colville area I receive the Colville Paper and saw you article about raising funds to refurbish the historic Fire Hall. At our last business meeting I took your article to the group and a motion was made to send \$100.00 to help you cause.

Also, enclosed is a patch from our group, during the meeting I explained to the group that Northport is a small town so if possible maybe you could send a photo of your group or patch to us.

Hope this helps and best of luck to you.
